ATTENTION WALMART SHOPPERS

Although not all Walmart Vision Centers are in-network, you'll receive **in-network** benefits if you choose to use a Walmart that is not shown on the provider locator. Simply pay for your services at the time of your visit and submit your receipt for reimbursement using the out-of-network claim form found at **Surency.com/StateofKansas**. Instead of the standard out-of-network benefit, you will be reimbursed as if you were in-network. Please note that extra discounts on non-covered items under your plan will not apply.
